

A. Kiemen geassocieerd met ademhalingsproblemen

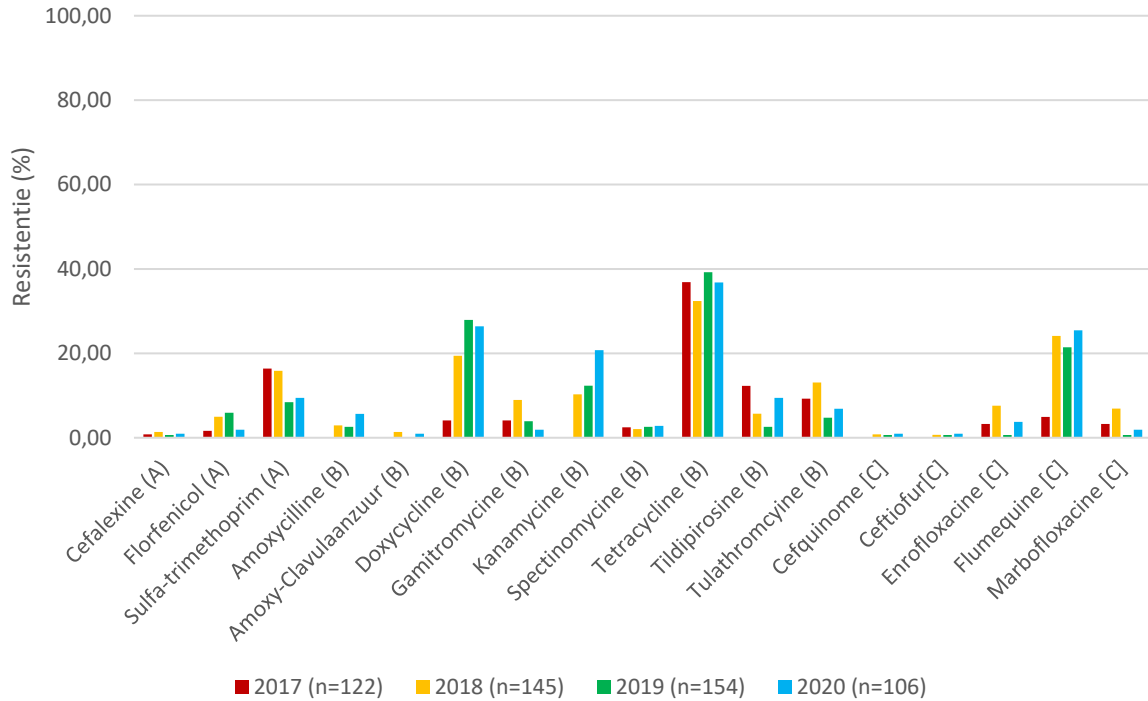

Pasteurella multocida

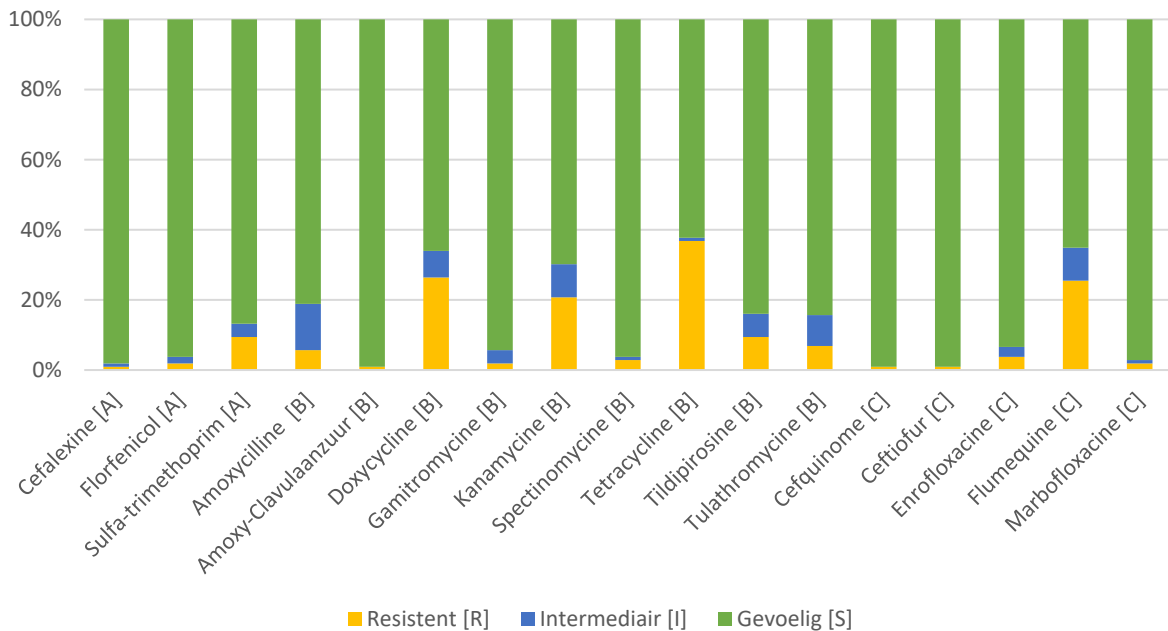

Pasteurella multocida (n=144; 2020)

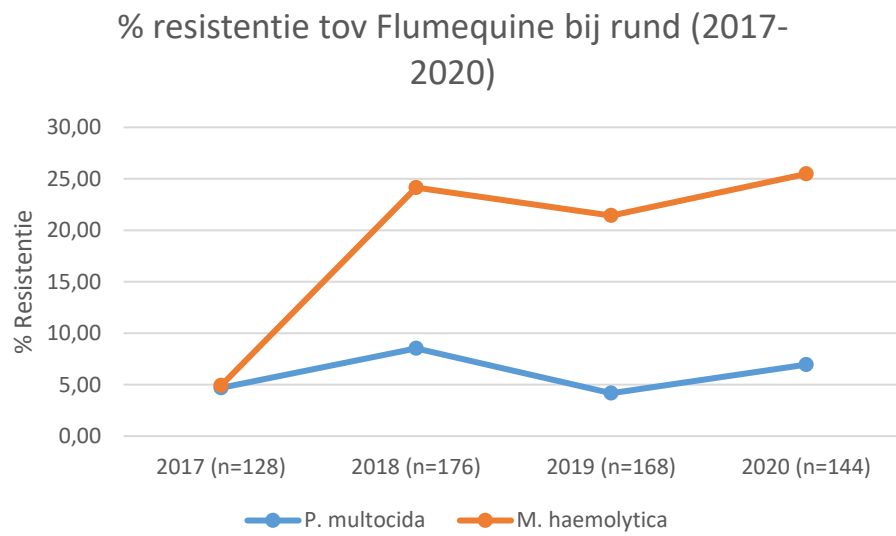

Mannheimia haemolytica

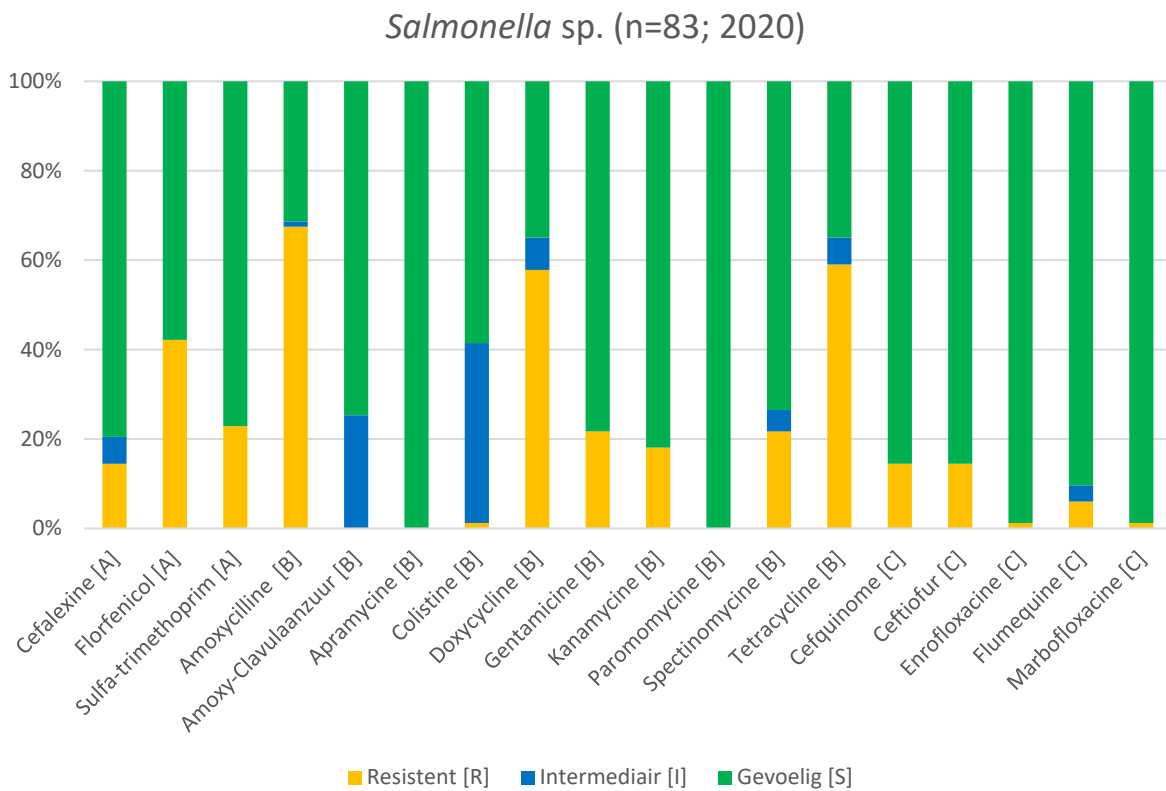

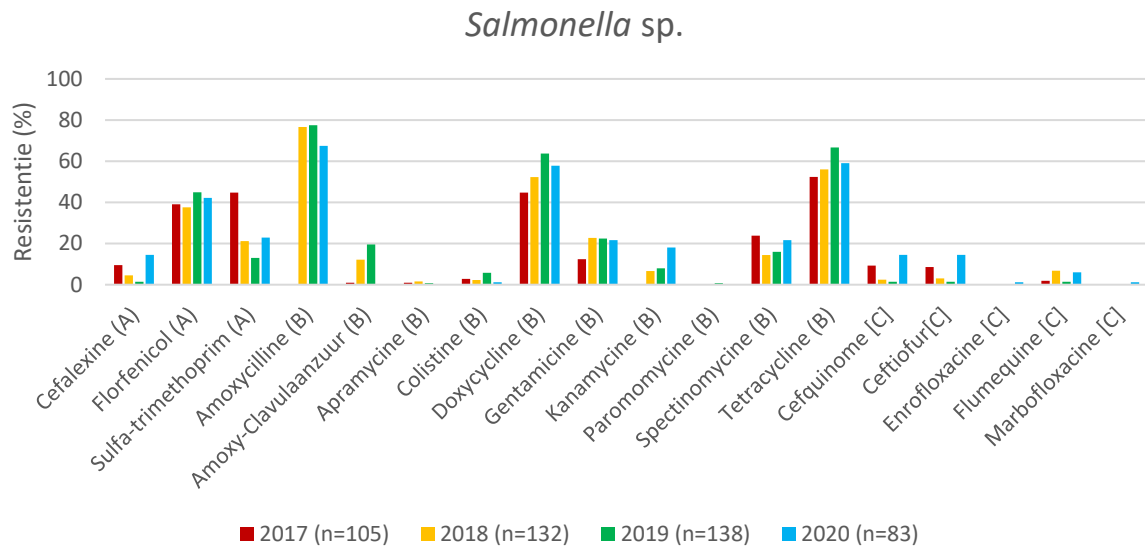

Mannheimia haemolytica (n=106; 2020)

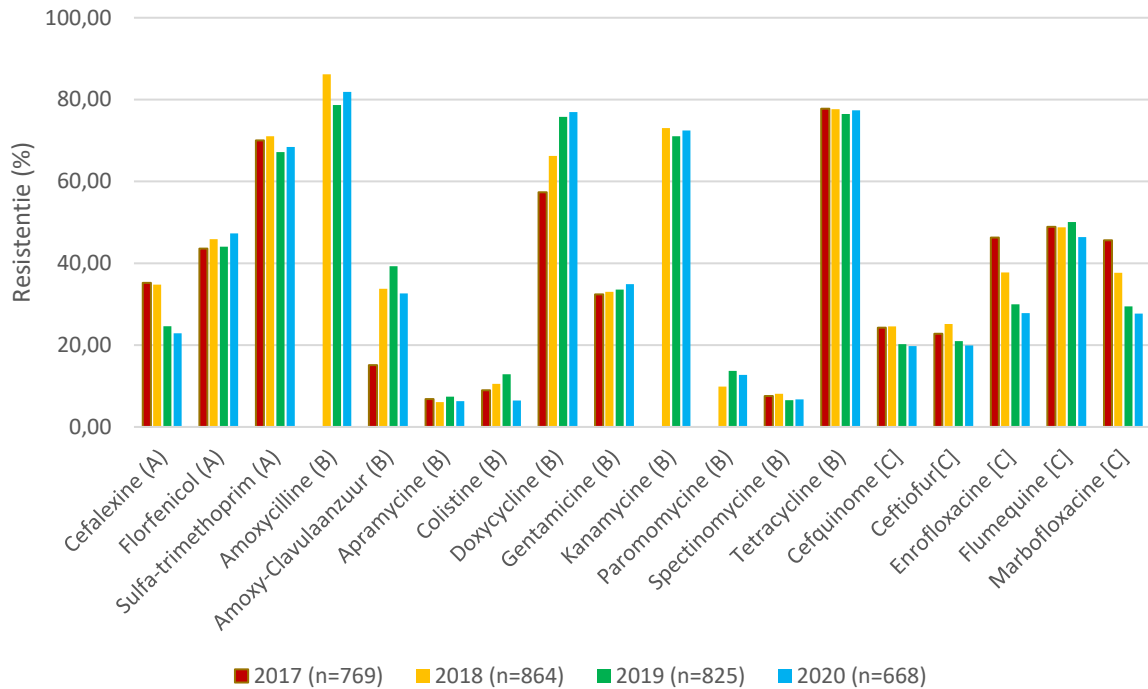

Evolutie resistentie periode 2017 – 2020 en SIR verhouding 2020

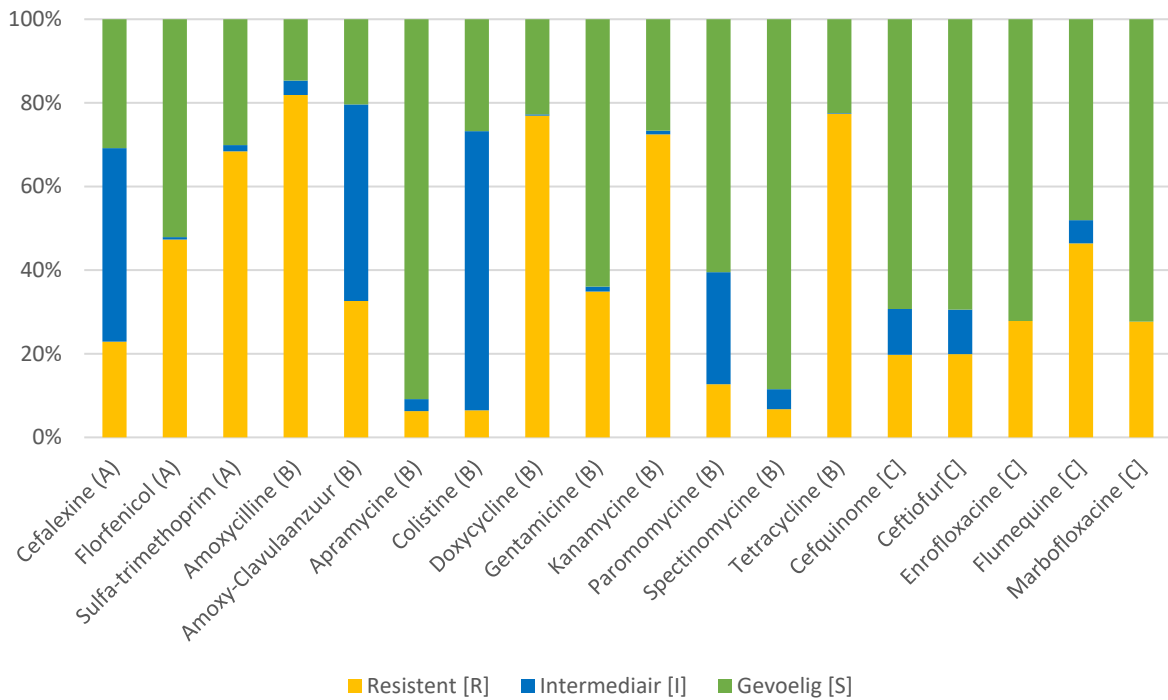

B. Kiemen geassocieerd met diarree

E. coli

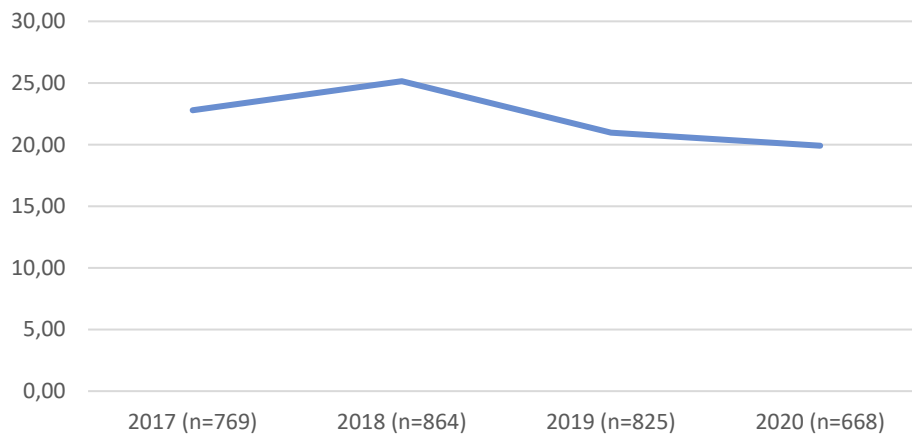

E. coli (n=668; 2020)

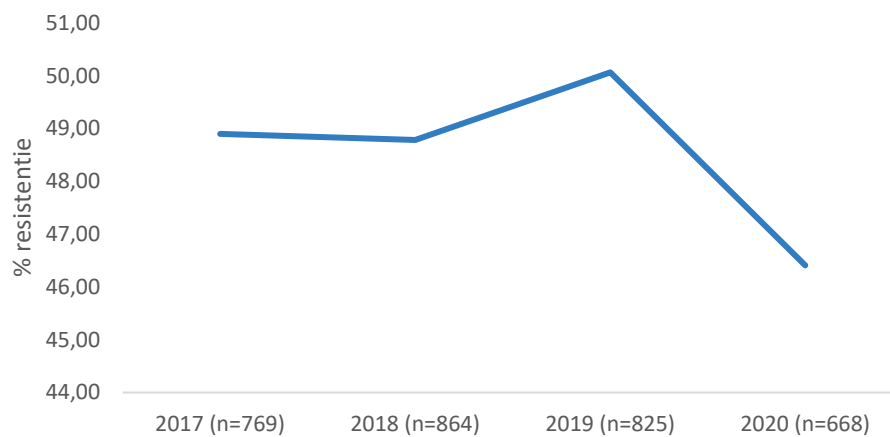

Evolutie resistentie periode 2017 – 2020 en SIR verhouding 2020

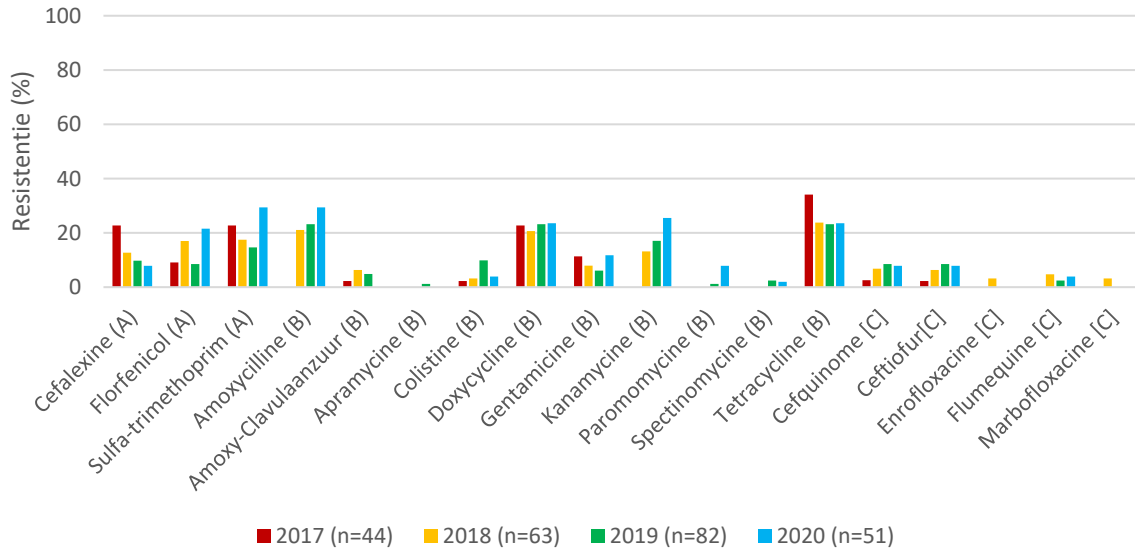

%resistentie tov ceftiofur bij E.coli geïsoleerd uit
rund (2017-2020)

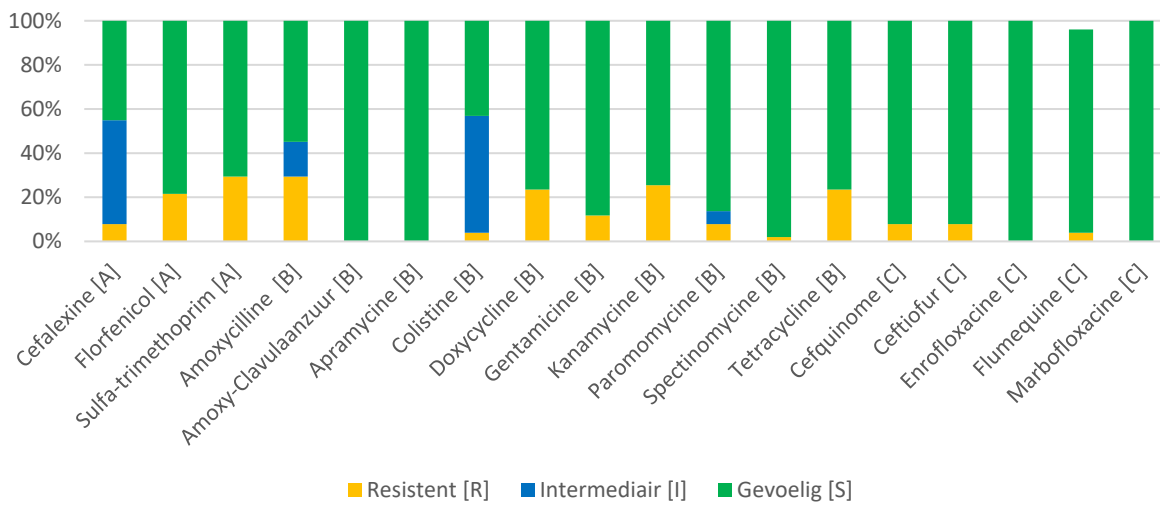

% resistentie tov flumequine bij E.coli geïsoleerd
uit rund (2017-2020)

Haemolytische *E. coli*

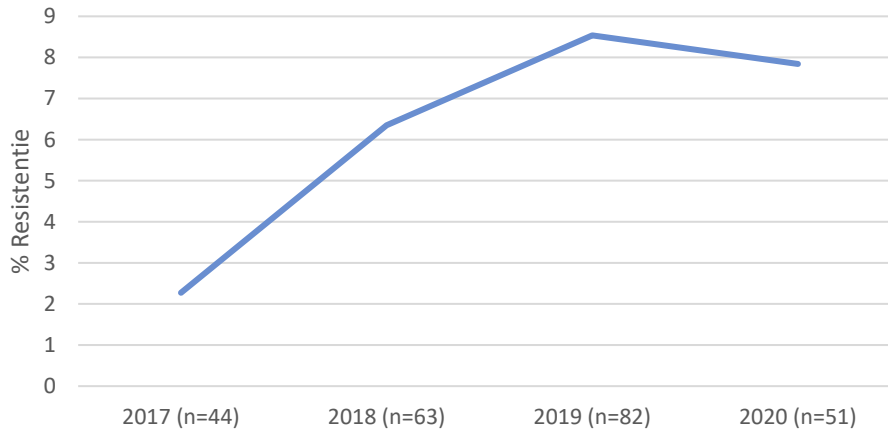

Haemolytische *E. coli* (n=51; 2020)

Evolutie resistentie periode 2017 – 2020 en SIR verhouding 2020

% resistentie tov ceftiofur bij haem. E.coli
geïsoleerd bij rund (2017-2020)

% resistentie tov flumequine bij haem. E.coli
geïsoleerd bij rund (2017-2020)
